Chapters/Textbooks

AbuRahma AF (Associated Editor). (2022). (Associate Editor). Sidaway A, Perler B (Eds.) *Rutherford's Vascular Surgery and Endovascular Therapy*, 10th Ed. Philadelphia: Elsevier.

AbuRahma AF, AbuRahma Z. (2022). Cerebrovascular exposure (Chapter 58). Sidway AP, Perler BA (Eds.) *Rutherford's Vascular Surgery and Endovascular Therapy*. Philadelphia: Elsevier.

AbuRahma AF, AbuRahma Z. (2022). Femoropopliteal Occlusive Disease. Cameron JL and Cameron AM (Eds.) *Current Surgical Therapy*, 14th Edition. Philadelphia: Elsevier.

2022 Presentations

ORAL:

AbuRahma AF. Debate: Not so: CEA can be performed safely and optimally under general anesthesia and without completion duplex or angio control: What is required to do so and are there downsides to duplex or angio controls? 49th Veith Symposium, New York, NY, 11/18/2022

AbuRahma AF. Grafts, perigraft seroma and value of a prosthetic perigraft sirolimus patch (Moderator). 49th Veith Symposium, New York, NY, 11/17/2022

AbuRahma AF. Highlights of the 2022 SVS US guidelines for the management of carotid disease. 49th Veith Symposium, New York, NY, 11/18/2022

AbuRahma AF. Moderator, Session 59: New or updated information on MRI safety with covered stents, a new embolic agent for bleeding, lower extremity prosthetic grafts, perigraft seroma and value of a prosthetic perigraft sirolimus patch. Veith Symposium, New York, NY, 11/15/2022

AbuRahma AF. Residency program requirements for IMG in the USA. Alexandria University Invited Speaker, Alexandria, Egypt, 11/27/2022

AbuRahma AF. Session 10: New developments in carotid disease and its treatment: Differing views on treatment of asymptomatic carotid stenosis and carotid screening (Session Moderator). 49th Veith Symposium, New York, NY, 11/15/2022

AbuRahma AF. Session 44: More new developments in AAA's: How does thrombus load effect prognosis after EVAR and EVAS and other related AAA topics (Moderator). 49th Veith Symposium, New York, NY, 11/16/2022

AbuRahma AF. Session 82: New or updated concepts for endovascular treatments and more hot and controversial carotid topics. 49th Veith Symposium, New York, NY, 11/18/2022

AbuRahma AF. The role of multispecialty practice in vascular/endovascular surgery: Can we work together? Pan Arab Vascular Society, Luxor, Egypt, 11/20/2022

AbuRahma AF. Tips for safe carotid endarterectomy. Pan Arab Vascular Society, Luxor, Egypt, 11/20/2022

AbuRahma AF. Update of the SVS Guidelines of the Management of Extracranial Carotid Disease. Invited speaker, Alexandria University, Alexandria, Egypt, 11/27/2022

AbuRahma AF. Vascular quality initiative assessment of compliance with Society of Vascular Surgery Clinical Practice Guidelines on the Management of Extracranial Cerebrovascular Disease. 49th Annual Meeting of the New England Society for Vascular Surgery, Newport, RI, 10/14/2022

AbuRahma AF. What is the real-world role of drug-eluting stents in patients with CLTI and intrapopliteal arterial disease: Which stents to use in a single-center experience. 49th Veith Symposium, New York, NY, 11/19/2022

AbuRahma AF. When to treat common carotid artery disease and how? Pan Arab Vascular Society, Luxor, Egypt, 11/20/2022

AbuRahma AF. Which procedure for carotid stenosis? Pan Arab Vascular Society,

Luxor, Egypt, 11/20/2022

AbuRahma Z. New findings regarding carotid in-stent restenosis: What it's rate of progression and it's clinical significance. 49th Veith Symposium, New York, NY, 11/17/2022

AbuRahma Z. Progression of carotid in-stent stenosis and the role of the vascular laboratory. 31st Annual WV Vascular/Endovascular Surgery Symposium, White Sulphur Springs, WV, 10/22/2022

AbuRahma Z. Real world single center (100 patient experience) with TCAR: How and why 30-day and one-year outcomes differ from those in ROADSTER 1 and 2. 49th Veith Symposium, New York, NY, 11/18/2022

Calhoun BC. Legal/Medical Issues in Utero Therapy for Fetal Abnormalities. National Institute of Family and Life Advocates, National Legal and Medical Summit, Norfolk VA, 10/06/2022

Calhoun BC. Perinatal Hospice. Pontifical Academy for Life, Virtual, 12/01/2022

Campbell JE. Update of the medical therapy of carotid stenosis: Statin and antiplatelet therapy. 31st Annual WV Vascular/Endovascular Surgery Symposium, White Sulphur Springs, WV, 10/22/2022
