Acronym Definitions:

ACS – Acute Care Service
 AI – Advanced Imaging
 Cath – Catheterization Lab
 CCS – Critical Care Service
 Echo – Echocardiography Service
 EP – Electrophysiology
 NIVL – Noninvasive Vascular Lab
 Nuc – Nuclear Cardiology and Stress Testing
 Vasc – Vascular Medicine
 Elec – Elective*

**Electives: All listed rotations can be selected as an elective.*

Additional electives include: Congestive Heart Failure, Cardiothoracic Surgery, Research and Structural Heart and Valve Disease

Vacation Policy: Per their contract, all fellows are allocated three (3) weeks of vacation during the academic year. The (3) weeks of vacation time must be taken in three 7-day blocks. The PD may allow smaller increments to be used for a maximum of 1 week of (7) days of total. No vacation days can be carried over to the next academic year. A work week block is counted as seven (7) consecutive days.
